resolution tool which can be used by individuals and communities affected by conflict – who will find it useful and even necessary. In order to support the promotion of mediation as a feasible alternative

Trainer's Manual on Conflict Resolution: A Foundation ...

Step 1: Define the source of the conflict. The more information you have about the cause of the problem, the more easily you can help to resolve it. To get the information you need, use a series of questions to identify the cause, like, "When did you feel upset?" "Do you see a relationship between that and this incident?" "How did this incident begin?"
