The Hungry Ocean, Greenlaw's account of a monthlong swordfishing trip over 1,000 nautical miles out to sea, tells the story of what happens when things go right -- proving, in the process, that every successful voyage is a study in narrowly averted disaster. There is the weather, the constant danger of mechanical failure, the perils of controlling five sleep-, women-, and booze-deprived young fishermen in close quarters, not to mention the threat of a bad fishing run: "If we don't catch fish ...

What happens when everything 'goes right' is the theme of Greenlaw's The Hungry Ocean: a Swordboat Captain's Journey. To most of us, the concept of spending a month or more at sea in smelly, cramped quarters, working torturous 20-hour days and MAYBE getting a paycheck to show for it, (depending on how good the catch is), hardly seems worth the effort.
